20.2 This Agreement supersedes and replaces any and all agreements between the Parties (and other persons, as may be applicable) and undertakings given to or on behalf of the Parties (and other persons, as may be applicable) in relation to the subject matter hereof.

20.3 No addition to or variation, deletion, or agreed cancellation of all or any clauses or provisions of this Agreement will be of any force or effect unless in writing and signed by the Parties.

20.4 No latitude, extension of time or other indulgence which may be given or allowed by any Party to the other Party in respect of the performance of any obligation hereunder, and no delay or forbearance in the enforcement of any right of any Party arising from this Agreement and no

single or partial exercise of any right by any Party under this Agreement, shall in any circumstances be construed to be an implied consent or election by such Party or operate as a waiver or a novation of or otherwise affect any of the Party's rights in terms of or arising from this Agreement or estop or preclude any such Party from enforcing at any time and without notice, strict and punctual compliance with each and every provision or term hereof. Failure or delay on the part of any Party in exercising any right, power or privilege under this Agreement will not constitute or be deemed to be a waiver thereof, nor will any single or partial exercise of any right, power or privilege preclude any other or further exercise thereof or the exercise of any other right, power or privilege.

- 20.5 No waiver, suspension or postponement by any Party of any right arising out of or in connection with this Agreement shall be of any force or effect unless in writing and signed by such Party. The Parties declare that it is their intention that this Agreement would be executed without such unenforceable provision if they were aware of such unenforceability at the time of execution hereof.
- 20.7 The expiration or termination of this Agreement shall not affect such of the provisions of this Agreement as expressly provide that they will operate after any such expiration or termination or which of necessity must continue to have effect after such expiration or termination, notwithstanding that the clauses themselves do not expressly provide for this.
