NOTES

Fields marked by * are mandatory.

- Note 2 - See the DataTill Software Licensing Pricing document for more information and make sure that you are working with the latest version of the document as it is adjusted from time to time. Check against the software Edition selected which Modules and Ancillary Services are included or excluded. Billing is monthly in arrears.
- Note 3 - Obtain a quotation from DataTill before submitting. No development work will be performed without a DataTill quotation.
- Note 4 - Obtain an estimate or quotation from DataTill before submitting. DataTill will bill actual hours in absence of quotation.
- Note 5 - See the DataTill Software Licensing document for more detail and make sure that you are working with the latest version of the document as it is adjusted from time to time. For ancillary or once-off services we recommend that you confirm with DataTill beforehand.
- Note 6 - Please contact DataTill in the event that DataTill is to provide a Hosting Environment. A separate Hosting quotation will be prepared for your acceptance.
- Note 7 - Please contact DataTill for a quotation for custom requirements or services for your acceptance.
- Note 8 - The default term is Monthly. Annual terms must be agreed to in writing by DataTill.
- Note 9 - The internal administration and accounting processes of the client is the responsibility of the client and the client must ensure that the correct billing information is provided to DataTill.
